

GENERAL INFORMATION – San Raffaele Cassino Hospital “in brief”

The San Raffaele Cassino Hospital is accredited with the Italian National Health Service, which therefore fully guarantees for the coverage of funding needed for the patients' healthcare. The high level of quality of the professionals and staff working within the structure is guaranteed by the UNI EN ISO 9001:2015 certification.

The facility is surrounded by a garden of 4550 square meters, with a roof garden of 350 square meters, and is equipped with 300 beds available to inpatients who need:

- Neuromotor and cardiorespiratory rehabilitation
- High intensity neurorehabilitation
- Intensive residential care
- Rehabilitation day hospital for adults
- Post-acute medical long-term care
- Parkinson's rehabilitation
- General medicine
- Residential and home hospice (palliative care)
- Rehabilitation “ex art. 26” – Law n. 833/78 (rehabilitation and maintenance for physical, mental, sensorial or mixed complex disabilities, often multiple, with possible permanent outcomes)

In addition, the following clinics and services are available to support clinical activities:

- Neurophysiopathology clinic
- Clinic for the study of posture and movement (Gait analysis)
- Clinical and microbiological analysis laboratory
- Hydro-kinesitherapy service
- Occupational therapy service
- Functional rehabilitation service
- Diagnostic for images service (X-rays, CT scans, MR-1.5T scans, ultrasounds)
- Specialist polyclinic

Location and transport

The San Raffaele Cassino is about 112 km from Rome and 80 km from Naples and it is in the archaeological site area at the foot of the hill of the historic Abbey of Montecassino.
The address is: via G. Di Biasio, 1 – 03043 Cassino (FR).

How to reach us

(by car) from Rome or Naples:

Autostrada del Sole A1 exit Cassino.

from Gaeta or Formia:

start along the highway Cassino-Formia (Via Ausonia) that connects to the Via Casilina along which, in the direction of Cassino centro, it reaches after about 500 meters the Structure.

Assistance for foreign citizens

The San Raffaele Cassino guarantees assistance to foreign citizens, thanks also to the presence in

structure of the Social Care Service, which collaborates with the Reference Center instituted by the ASL (Local Healthcare Trust) to support the problems of these citizens.

Methods of access in ordinary hospitalization

The admission to the facility is done by contacting the acceptance.

The office is open from 08.00 to 18.00 from the Monday to the Saturday.

Telephone: 0776/394734 – 0776/394770

Fax: 0776/394403

Users who need hospitalization, under the ordinary regime, if they do not come directly from other hospitals, they need a special commitment prepared by the Doctor of General Medicine, in addition to a specific application form for admission collected at the acceptance office of the structure, downloaded from the website www.sanraffaele.it (mini-website: <http://www.sanraffaele.it/assistenza/strutture-sanitarie/2/san-raffaele-cassino>) or requested by fax, e-mail or ordinary mail.

The form must be filled in all its parts by the General Medicine Doctor or by the Specialist.

Within 48 hours of presenting the application for admission, the user or family member can, after calling for acceptance, know the outcome of the application. In case of positive answer, the user is placed on the waiting list. The date of admission will be communicated by phone.

For users from other hospitals, applications for admission are evaluated within 24/48 hours from the request, the result will then be transmitted by fax directly to the hospital that has made transfer request. In case of acceptance, the availability of beds will be communicated immediately.

Request for the medical record

The user can request a copy of his/her medical records at the time of discharge or later
Medical records request office (+39) 0776/394714
